One, two, three, four  
Go

Hold me down  
Save my soul  
I was born  
Just to die  
All alone  
Fall alone  
Eat this

?  
The force is loose again  
The force is dead again

Once again  
Twice before  
I'm alone  
Stuck together  
Aspect  
Suspect  
Eat this

?  
The force is loose again  
The force is dead again

Manic  
Save me

Narcissistic  
Nihilistic  
I'm a man  
Now I know where

Possessed  
Repressed  
Eat this

?  
The force is loose again  
The force is dead again

Manic  
Save me  
Wonder where to go

Take me  
Take me  
You know you're not wanted any more  
?  
It's all there  
They'll take you ? with me

Let me just say this again for the whole reason  
That you speak that's too busy  
Chuck it up  
Fuck it up  
What else you wanna call it - ya see  
This whole thing's gonna eat itself someday anyway,  
man  
Whether you wanna digest it, ingest it  
Rub it into your beer belly, or whatever  
You see to me
