

Stone Sour "Hesitate"

You were my fire
So I burned
Til there was nothing left of me
I touched your face
I held you close
Til I could barely breathe

Why give me hope
Then give me up
Just to be the death of me
Save the rest of me

Cuz I see you
But I can't feel you
Anymore
So go away
I need you
But I can't need you
Anymore
You hesitate

Now and then
You come around
Like there's something left for me
We were one
We were everything
I'm still here
But I'll just keep the rest of me

Cuz I see you
But I can't feel you
Anymore
So go away
I need you
But I can't need you
Anymore
You hesitate

We never made it
You hesitated
I don't believe

That I see you
But I can't feel you
Anymore
So go away
I need you
But I can't need you
Anymore
You hesitate
Cuz I see you
(See you)
But I can't feel you
(Feel you)
Anymore
So go away
I need you
(Need you)
But I can't need you
(Need you)
Anymore
You hesitate
Hesitate

(You were my fire)
(So I burned)
(Now there's nothing left of me)
