

Stone Sour "Imperfect"

Some things are better forgotten
And bury them in places that we really only visit by
ourselves.
Oh and you were a version like no other
Oh I never tell you what to do and all you see is gone
What's the sense in anything when what they say is
wrong!

Ooooooh
What do you wanna hear?
Do you wanna know how many times I tore myself apart
cause you're not here
Ooooooooooh
What do you wanna know?
Does it make you feel alive, I had to die to finally let
you go

Stop me,
I find myself believing
Oh the story gets rewritten so, blasphemy is permitted
once again
Oh and you were
So perfectly imperfect.
Oh I never tell you what to do when all you have are lies
What's the sense in anything it's just one more
goodbye

Ooooooh
What do you wanna hear?
Do you wanna know how many times I tore myself apart
cause you're not here
Ooooooooooh
What do you wanna know?
Does it make you feel alive, I had to die to finally let
you go

Oh Yeah!
Ooooooh
What do you wanna hear?
Do you wanna know how many times I tore myself apart
cause you're not here
Ooooooooooh

What do you wanna know?
Does it make you feel alive, I had to die to finally let
you go
Oooohhh Oooohhh Oooohhh
Finally let you go...
