

## Stone Sour "RU486"

Visit "[RU486](#)" on [MotoLyrics.com](http://MotoLyrics.com)

(This record is an unseen enemy of the human mind)  
(You are going to relax)  
(Use it regularly, bring your mind to follow the  
suggestions to an unpleasant degree)  
(You are going to relax)  
(The mind needs nervous tension, and now we shall  
begin)  
(Listen only to my voice)  
(One word of caution)  
(RU486)

The pity turns complacent  
The fear gives it a rush  
Nobody needs a hopeless romantic  
Who never sleeps and dreams too much  
The fear is unrepentant  
Their face has nowhere to hide!  
So draw a breath, and kill my Judas  
You'll never know until you come inside!

You are defeatist  
Forsaken  
A jewel in the crown of the Sun  
Never repeated, or taken  
I wouldn't change a fuckin' thing that you've done

(Goin' down alive)  
(Goin' down alive)  
Assume your nemesis!  
(Goin' down alive)  
(Goin' down alive)  
Are you 486?

Another weak contender  
Another pound of the nails  
The future lies in perfect condition  
You can't do it if you're built to fail!  
I only know solutions  
I've never thought of the end  
Someone else is closing the casket  
Another hungry mouth to defend!

You are defeated  
Forbidden  
A name at the top of the list  
Never related, or stricken  
I wouldn't change a fuckin' thing about this!

(Goin' down alive)  
(Goin' down alive)  
Assume your nemesis!  
(Goin' down alive)  
(Goin' down alive)  
Are you 486?

(YOU! )  
Projector  
(WON'T! )  
Suspector  
(FEEL! )  
The victor, it's only who is left to say  
(YOU! )  
Contractor  
(DON'T! )  
Detractor  
(SEE! )  
The answer!  
It's screaming what you'll never say!

(Solos: Josh & Jim)

We are demeaning!  
Forever!  
A world that will never exist  
Always repeating, or severed!  
We wouldn't change a fuckin' thing about this!

(Goin' down alive)  
(Goin' down alive)  
Assume your nemesis!  
(Goin' down alive)  
(Goin' down alive)  
Are you 486?

(Goin' down alive)  
(Goin' down alive)  
Assume your nemesis!  
(Goin' down alive)  
(Goin' down alive)  
Are you 486?
