Freedom's just a word today
Freedom's just a word
When someone takes your word away
It's seldom ever heard

So take your sentence full of things
You're not supposed to say
Carry on but don't write it down
Or you'll be gone

Love is just a song today
Love is just a song
When someone takes the song away
You'll seldom sing along

So take those lyrics serious
And sing your life away
Carry on, don't write 'em down
Or they'll be gone

All we ever do is talk
We like to ride but we never walk
We make it so damn easy
We get bored

Why can't anybody see
What's good for you is good for me?
I can't take your sillyworld
I can't take your sillyworld no more

Peace is just two fingers now
Peace was just a phase
When someone put it on a shirt
She nearly killed the days

So take those fingers tape 'em up
And shove 'em up your ass
And carry on, don't try it now
'Cause peace is gone

All we ever do is talk
We like to ride but we never walk

We make it so damn easy
We get bored

Why can't anybody see
What's good for you is bad for me?
And I can't take your sillyworld
I can't take your sillyworld no more

We fight our instincts
We go to extremes
We fight our instincts
We go to extremes

We fall apart, we fall apart
We fall apart, we fall apart
We fall apart, we fall apart
We fall apart, we fall apart

We fall apart, we fall apart
We fall apart, we fall apart
We fall apart, we fall apart
