The bloody angle, the cemetery
Your cheap athassel isn't holding me
My mouth is a gun i can shoot, i can show you the truth
And i dont need a reason to lie to you
No bond intended, no punishment
If i offend you, you needed it
I dance on the bones in your mind, a fissure in time
If you dont have a weapon you can have mine

(I can bleed if i wanna bleed, i can fail if i feel in need)

This say is my last confession
This life, it feels like a prison

Oh, I'm not afraid
I'm giving into grievances again
You're looking at an absolute zero
I'm not the Devil, but I won't be your hero

The ???, the sacrilege
Your pre-madonnas are unprivileged
My god has a need to react its as simple as that
Its better just to shatter all the face of fact

(I can bleed if i wanna bleed, i can fail if i feel in need)

This say is my last confession
This life, it feels like a prison

Oh, I'm not afraid
I'm giving into grievances again
You're looking at an absolute zero
I'm not the Devil, but I won't be your hero

(Solo)

One thing that i cant stand
Is when the minutes fight the second hand
A waste of lifetimes where, just to flee to one more day
No fucking kora, no bringme ons
The world is stuck, in dilerium

Mad is a four-letter word, its really absurd
The hate isn't ??? its justified

Oh, I'm not afraid
I'm giving into grievances again
I'm down to absolute zero
Another zealot? with the wait of the fucking world
Oh, I'm not afraid
And i wont let you down as i hold you in
You're looking at an absolute zero
I'm not the Devil, but I won't be your hero
