I think I'm happy  
Mostly happy  
On a green autumn day  
I'm walking lazy  
Barely moving  
Settle out and fade away

Seems life is something more than a journey with no  
end  
I just wanna lose it all and find myself again  
I'm on my own,  
I'm on my own,

I don't need a conscience to tell me how I feel  
I don't need these weary eyes to focus on what to  
conceal  
I don't need anybody to tell me who I am  
Blame it on a broken heart, I'm falling apart again
