Finally I've met you

The day has come

You're more than beautiful

And you're my son

I don't deserve this

I never thought it could be

Quite like the moment

When you first smiled at me

A toothless, wonderful feeling

Like I'd never seen

It's you, Noah, it's you

And when you lie down to sleep

I'll protect you

From the demons of the night

While I'm watching you grow

I'll pray

There's so much I could teach you

If you only have the time

Pray

There's so much God can teach you

If you only have the time

So will you tell me the little things?

What does God look like?

And angels' wings?

I don't remember these things

So would you teach them to me?

So for the moment

I'll watch you breathe

And when you wake up in the morning

And I pour the coffee

You're always smiling ã,â€¡ sweetly
