My friend Blue he runs the show  
With hot pink purple china glow  
His family trees are molded  
No longer grows in summer

He holds it closer lets it go  
Picks a fruit but keeps it whole  
Can't keep the submarine in  
Can't keep the light from fading

Grab the hate and drown it out  
Grab the beat and drum it out  
It's all so confusing

Ain't the same for you and me  
Cartoons like reality  
Dogs and cats and children  
The deepest wound is hidden

Ain't the same for you and me  
Comatose commodity  
The superheroes dyin'  
All the children cryin'

Sell more records if I'm dead  
Purple flowers once again  
Hope it's sooner, hope it's near  
Corporate records' fiscal year  
Down the river, down the river

Have a listen lend an ear  
Here's a song now if you care  
We can all just hum along  
Words don't matter anymore

Grab the hate and drown it out  
Grab the beat and drum it out  
It's all so confusing

Adhesive love, adhesive  
Adhesive love  
Adhesive love, adhesive

Adhesive love

Flyin' high across the plain  
Purple flowers ease the pain  
Here, now have a listen  
Ain't the songs you're missin'  
Down the river, down the river

Stitch the womb and wet the bed  
With a whisper I'll be dead  
Don't let the living die yet

Grab the hate and drown it out  
Grab the beat and drum it out  
It's all so confusing

Adhesive love, adhesive  
Adhesive love  
Adhesive love, adhesive  
Adhesive love
