You dont look but you kick me
You cant feel but you hit me
You can't live with the way I pray
Why do we all have to look this way
I gotta heart, I got blood, feel pain
Time, time is not on my side
Cause the way I am
Gotta gotta now gotta find the reason why
A woman aint a man
You dont look but you kick me
You cant feel but you hit me
You cant deal with the way I pray
Why do you all have to think this way
I gotta heart, I got blood, feel pain
Fall in those single file lines
Like Army Ants
Yeah, fall on into those single file lines
And complete the plan
