I've got a girlfriend, she goes to art school
I've got a art school girlfriend, yeah
I've got a girlfriend, she's got a girlfriend
We've got a girlfriend, and she's gotta go

She left her home from sweet Alabama
Rose, Alabama for the city, New York City, yeah
She left her home from sweet Alabama
Rose, Alabama for the city, New York City, yeah

I've told you five or four times
I've told you five or four times
I've told you five or four times
I've told you five or four times

I've told you five or four times
I've told you five or four times
I've told you five or four times
I've told you five or four times

I've got a girlfriend, she goes to parties
Underground parties, Andy Warhol everywhere
She wears the leather, I wear the makeup
We'll never break up, been together for a month

She left her home from Sweet Alabama
Rose, Alabama for the city, New York City, yeah
She left her home from Sweet Alabama
Rose, Alabama for the city, New York City, yeah

I've told you five or four times
I've told you five or four times
I've told you five or four times
I've told you five or four times

I've told you five or four times
I've told you five or four times
I've told you five or four times
I've told you five or four times

Ta na na na, na na na na na
Five or four times

I've told you five or four times
I've told you
Ta na na na, na na na na na

Five or four times
I've told you five or four times
I've told you
Ta na na na, na na na na na
