I gotta girlfriend, she goes to art school

I gotta art school girlfriend yeah

I gotta girlfriend, she gotta girlfriend

We gotta girlfriend, girlfriend gotta go

She left her home for sweet Alabama

Rose Alabama for the city, New York City yeah

I told you five or four times

I gotta girlfriend, she goes to parties

Underground parties, Andy Warhol everywhere

She wears the leather, I wear the makeup

We'll never break up, been together for a month

She left her home for sweet Alabama

Rose Alabama for the city, New York City yeah

I told you five or four times
