So I'm letting it go again

I'm halfway full on

Left my meds on the sink today

My head will be racing by lunchtime

So I'm holding her hand again

My palm sweats

Hold on

Think I've had too much coffee

I'm manic as hell

But I'm goin' strong

Left my meds on the sink again

My head will be racing by lunchtime

Don't sleep behind the wheel at the stoplight

Can't sleep behind the wheel as you're drivin' home

You keep comin' down the hill as you're fallin'

You keep fallin' from the hill as you're comin' down
