Dancing days are here again
As the summer evenings grow
I got my flower, I got my power
I got a woman who knows

You know it's all right
I said it's all right
I guess it's all in my heart
You'll be my only, my one and only
If that's the way it should start

Crazy ways are evident
In the way you're wearing your clothes
Sippin' booze is precedent
As the evening starts to glow

I said it's all right
You know it's all right
I guess it's all in my heart
You'll be my only, my one and only
If that's the way it should start

I told your mama I'd get you home
But you didn't say I got no car
I saw a lion, he was standing alone
With a tadpole in a jar

I know it's all right
You said it's all right
I guess it's all in my heart
You'll be my only
my one and only
If that's the way it should start

Dancing days are here again
As the summer evenings grow
You are my flower, you are my power
You are my woman who knows

You know it's all right
I said it's all right

I guess it's all in my heart
You'll be my only, my one and only
If that the way it should start
