Monday, back from the dead  
I'm letting it go, back for another one  
Tuesday, shoot me in the head  
I'm takin' it back, takin' it back  
It'll take it back

Wednesday, she's looking for a friend  
She'll get what she wants  
Can't seem to get enough  
Thursday, it's more than I can stand  
I'm holding her down, holding her down  
She's down again

I've gotta find a way to find her  
Where could she be?  
Four days of the week she thinks I'm the enemy

One day, left me for the dead  
Woke up on the floor, time for another one  
Two days, she's leavin' me again, can't take it no more  
Out through the open door

Three days, she's found herself a friend  
She got what she wants  
Still never get enough  
Four days, she's back with me again  
She's pullin' me down, pullin' me down  
I'm down again

I've got to find a way to find her  
Where she could be?  
Four days of the week she thinks I'm the enemy

Monday's gone  
Tuesday's fadin'  
Wednesday's gone  
Thursday's all but wasted now

Monday, back from the dead  
I'm letting it go back for another one  
Tuesday, shoot me in the head  
I'm taking it back, taking it back

I'll take it back

I gotta find a way to find her

Where could she be?

Four days of the week she thinks I'm the enemy  
thinks I'm the enemy
