I got soul, I got to get off  
No color hold me down  
Cause I'm funky, You got to get off  
And that funks the best around  
Well I'm shakin' and ah grinnin'  
Got a smile on my face  
Because those little hips are  
Swingin' all over the place  
Well hot damn, you got to get off  
To the back beat of my band...  
So I say...

Get off with that funky feeling, Dirty Dog

I gotta groove, I got to get off  
Ain't got no place to hide  
Cause I'm funky, You got to get off  
And my funk bone never jives  
Well I'm shakin' and grinnin'  
Got a smile on my face  
Because those little hips are  
Swingin' All over the place  
So get down, you got to get off  
To the Dirty Dog inside

Get up with that funk !!!  
Get up with that funk !!!
