Loud talk, dumb love, lacerator

Come and touch

Bleed to feel, feel to fuck

Keep ya comin', comin' back for more

Alcohol, it's a lie, stimulate a needle in your eye

Let it bleed, blow your mind

Touched myself, nearly went blind

Couldn't find a way to live though the pain

Couldn't find a way

Dumb love

Couldn't find another way to win the race

Couldn't find a way

Dumb love

Couldn't get outta bed

Ten ton bricks layin' on my head

Persecute the crucified

Kill a man for losing his mind

Couldn't find a way to live through the shame

Couldn't find a way

Dumb love

Couldn't find another way to win the race

Couldn't find a way

Dumb love

Come on out, you're comin' home

Deceive yourself, you're all alone

Come on out, you're comin' home

Deceive yourself, your secret's known
