Torment the tortured, teach me things  
I'm so alive  
Speak to the speechless, seek the things  
You have inside

You can hunt for the hunter  
He's got nowhere to hide  
You can seek with the seeker  
But hold on for the ride

Keep it coming I'm going all the way  
Keep it coming I'm going all the way  
Give me half a chance  
From throwing it all away

Run to the place that hides the pain  
You have inside  
Cover my chain it hides the strain  
Only to glide

You can hunt for the hunter  
He's got nowhere to hide  
You can seek with the seeker  
But hold on for the ride

Keep it coming I'm going all the way  
Keep it coming I'm going all the way  
Give me half a chance  
From throwing it all away

There's nowhere to turn to nowhere  
There's nowhere to run  
You can fly with the fader, fly it  
Fly it on the run

There is nowhere to turn to nowhere  
There is nowhere to run  
You can fly with the fader, fly it  
Fly it on the run

It's too late, the time is gone  
Later on again 'cause no one's leaving

It's too late, the time is gone  
Later on again 'cause no one's leaving, now look away

There's nowhere to turn to nowhere  
There's nowhere to run  
You can fly with the fader, fly it  
Fly it on the run

There is nowhere to turn to nowhere  
There is nowhere to run  
You can fly with the fader, fly it  
Fly it on the run
