I'm freely standing  
On my own  
Or am I falling  
In a river cold?  
Those friends always ask me  
Saying "How you been?"  
Well I've seen somber days

Am I mistaken?  
Could you be sitting there lonely too?

He was a man  
Who didn't want me anymore  
He never  
Never  
Never 'round  
How much did you get for selling out my name?  
Still won't forget those hazy days  
Yeah

It's in the nighttime  
When I'm feeling old  
Am I lonely?  
I watched you go  
My friends always wonder  
Ask "How you been?"  
Well I've seen better days

Am I mistaken?  
Am I mistaken?  
Could you be sitting there lonely too?

He was a man  
Who didn't want me anymore  
He never  
Never  
Never 'round  
How much did you get for selling out my name?  
Still won't forget those hazy days  
Yeah

He was a man

Who didn't want me anymore  
He never  
Never  
Never 'round  
How much did you get for selling out my name?  
Still won't forget those hazy days  
Yeah
