Candlewax
Is good for building ships and bridges
Honeydrips
The bees aren't happy and forgiving

Heed the water whisper
Heed the water whisper

All those things are so real
They scare me when I dream but you know that
You are the one that keeps me real.

Money talks
And it ain't always sayin' somethin'
Ain't it nice
When it's speakin' to my sweetly

Heed the water whisper
Heed the water whisper

All those things are so real
They scare me when I dream but you know that
You are the one that keeps me real

Heed the water whisper
Heed the water whisper
