Hello, it's late

You know I've tried to stop the rain

Did you read about it?

Did you think about it?

Did you cry but nothing came?

Hello it's late

I know we tried to win the game

Did you hear about it?

Did you dream about it?

I know you cried but nothing changed

Nothing matters again

I didn't think it'd last that long

But I'm just sittin' on this merry-go-round,

And the music is too loud

It's just a game

That we used to play

I didn't think we'd

Take it all the way

It kills me just because

It can't be erased -

We're married
