Alright, alright, alright, come on  
Alright, alright, alright, come on  
Alright, alright, alright, come on  
Alright, alright, alright, come on

Strange, strange, strange  
It's a dichotomy  
But it was never quite  
Weird or quite normal for me

Take a break, take a breath  
And let's see where we're at  
Those damn bed bugs  
Are sleepin' up in my head  
All day, all night

You're tellin' my story  
But you don't know my name  
It's a hickory dichotomy  
You're messin' with my brain

Sellin' the story  
Are you whole or you lyin'?  
Hickory dichotomy  
I'll tell you the truth ain't divine

Alright, alright, alright, come on  
Alright, alright, alright, come on

Brave, brave, brave  
As the apostles go  
Is it a hickory hypothesis  
A one man show?

I'll take a rest, I'll take a revel  
In a lot of lights  
But the tall tale teases  
Keep sneakin' in my show tonight  
Alright

You're tellin' my story  
But you don't know my name

It's a hickory dichotomy  
You're messin' with my brain

Sellin' the story  
Are you whole or you lyin'?  
Hickory dichotomy  
I'll tell you the truth ain't divine

You're tellin' my story  
But you don't know my name  
It's a hickory dichotomy  
You're messin' with my brain

Sellin' the story  
Are you whole or you lyin'?  
Hickory dichotomy  
I'll tell you the truth ain't divine

Alright, alright, alright, come on  
Alright, alright, alright, come on  
Alright, alright, alright, come on  
Alright, alright, alright, come on
