#### Kitchenware & Candy Bars

Somebody told me, I know where to go  
Somebody showed me, I was last to know

Sell me down the river  
Sell me down the river  
Sell me down the river  
Sell me down the river

What I wanted, is what I wanted  
What I wanted is what she wanted

Unfriendly feelings, down on wounded knee  
Unfriendly reasons, some blind mother's need

Sell me down the river  
Sell me down the river  
Sell me down the river  
Sell me down the river

What I wanted, is what I wanted  
What I wanted is what she wanted

You read the words and it sells you life  
They sell their words, but it's all a lie

#### My Second Album

The second album  
12 gracious melodies  
Worth list-ning  
Hope you enjoy them  
Like if it's sung to me

Listen to 12 great tunes  
Playing on your stereo  
Dining and dancing too  
Entertain on the piano

The second album

12 gracious melodies  
To listen  
Include this number  
Keeping you company

Well  
Getting on the record soon  
Grooving on an afternoon  
That's on my album too

This album cover  
Looks similar like John in Mathus  
For Mathus lovers this album has his style  
Beautiful numbers are heard on the car radio  
After all records are cut in the recording studio

My second album  
One dozen melodies  
To listen  
Include this number  
Keeping in company
