Lady picture show  
She hides behind the bedroom door  
Lady picture show  
She hides behind the bedroom wall  
She hides because she don't know nothin'  
Don't know nothin' anymore  
She keeps a funny face it's locked and bagged  
It's just outside the door

She doesn't know her name  
She doesn't know her face  
She doesn't know her name  
She doesn't know her face

Lady picture girl  
I think them boys don't like your show  
Lady picture show them  
Boys are gone, should just say no  
Your wedding presents  
Not so daisy picture perfect anymore  
Lady funny face it's locked and bagged  
It's just outside the door

She doesn't know her name  
She doesn't know her face  
She doesn't know her name  
She doesn't know her face  
Look at me  
Look at me  
Look at me

She doesn't know her name  
She doesn't know her face

Lady picture show  
She hides behind the bedroom door  
Lady picture show  
She hides behind the bedroom wall  
She hides because she don't know nothin'  
Don't know nothin' anymore  
She keeps a funny face it's locked and bagged  
It's just outside the door

She doesn't know her name  
She doesn't know her face  
She doesn't know her name  
She doesn't know her face  
Look at me  
Look at me  
Look at me
