Leave me out, get away I gotta go
Long way home can't see through the trees
Leave me alone, get away better run fast as I can
From the man dirty man the old man

In my song run away fly away
Long way home through the fields the burnin' fields
Call my name when you knock on the door?
Go insane when you knock on the door?
In my head and it's beatin' like a drum

Tell me
Is it more of the same and where can I find it?
Tell me
Is she fightin' for air and where does she come from?
Tell

Leave me out, get away I gotta go
Long way home can't see through the trees
Leave me out, get away better run fast as I can
From the man dirty man the old man
Run away when he's knockin' on the door?

Tell me
Is it more of the same and where can I find it?
Tell me
Is she fightin' for air and where does she come from?
Tell me
Is it more of the same and where can I find it?
Tell me
Is she fightin' for air and where does she come from?
Tell

What's she runnin' from? I really don't know
Keep her runnin' it's a long way home
I hear the music songs we know
It's out of time and the beat's too slow
What's she runnin' from? I really don't know
Keep her runnin' it's a long way home
I hear the music songs we know
It's out of time and the beat's too slow
