It's okay, it's okay, okay relieve me  
Pins in me, pins in me, in me you kill me  
The lounge fly, the lounge fly the fly you bring me  
I think I'm free but the dogs they won't release me

Don't have a nickel or a dollar but you feed me  
My bottle's empty but you always refuel me  
I feel I'm sinking but you won't let me drown me  
I wanna fuck, wanna fuck but do you need me?

I can't give what I take away  
And the other understands  
She said she'd be my woman  
She said she'd be my man  
And I can't live this way  
Please refill my soul

It's okay, it's okay, okay relieve me  
Pins in me, pins in me, in me you kill me
