Looking like a loaded gun  
She's turning me on  
She turn me on, she turn me on  
Hot flash thinking about your love  
She turns me on  
She turn me on, she turn me on

Slap me down - I want it, I need it  
So, slap me down - I want it, I need it  
So, slap me down - I want it, I need it  
So, slap me down - I want it, I need it

Cause she's a vamp, she's a vicious  
She's a red hot love machine  
She's a princess with the power  
and she loves to make me bleed

Cause she's hot like a Love Machine  
Keep me up all night like a moving train  
Hot like a Love Machine  
Keep me up all night like a moving train

Cause I gotta know what your're doing to me

Guilty of a sexual crime she blows my mind  
She blow my mind, she blow my mind  
So jump back or feel my fire come  
She turns me on  
She turn me, she turn me on
