No you don't get it
No you don't want it
No you don't get it, no

No you don't get it
No you don't want it
No you don't get it, no

She don't like the way she smiles
He don't like the way she smiles

Son of a bitch
I know what the itch is like
You won't get enough
Try to get rid of it
But you won't, you can't
You won't get enough

She don't like the way she smiles
(Don't want you)
(Don't need you)
She don't like the way she smiles
(Can't have you)
(I want)

No you don't get it
You never get it
No you don't get it
I want to see through you

No you don't get it
You never get it
No you don't get it
I want to see through you

No you don't get it
No you don't want it
No you don't get it, no
Try to get rid of it but you want
You can't even get enough

She don't like the way she smiles

(Don't want you)
(Don't need you)
He don't like the way she smiles
(Can't have you)
(I want)

No you don't get it

She don't like the way she smiles
She don't like the way she smiles

No you don't get it
You never get it
No you don't get it
I want to see through you

No you don't get it
You never get it
No you don't get it
I want to see through you
[Incomprehensible]

{[Incomprehensible] the street
