"Meat Plow"

fine place for a day full of breakdowns
takes more than a meltdown to show us how
throw a tack on the road, stop the meatplow
got a bullet but it ain't mine.

they got these pictures of everything
to break us down, yeah to break me down.
they make us hate and we make it bleed.

but I got a lover and yeah
she shows me how,
to understand it, yeah to understand
I got a brother and well
he show me how,
to make amends, yeah to make amends
with it
take a break from the mousetrap we call home
takes more than a message to make me smile
I can feel when she kisses me sleeping
but not when the news is on.
