I broke the breadline  
Nobody knows  
I walked the frontline  
Still got far to go

I mixed the water  
I drank the water  
I broke the breadline  
Don't wanna know

It's staring me down  
Wearing a crown of apathy  
I'm standing around  
Dressed like a clown  
Don't know my name  
You know where to find me

I killed the manchild  
I'll fast alone  
I had the midwife  
Naked and alone

I mixed the water  
I drank the water  
I killed the brainchild  
I'll fast alone

It's staring me down  
Wearing a crown of apathy  
I'm standing around  
Dressed like a clown  
Don't know my name  
You know where to find me

Don't wanna let me be a man  
Don't wanna lead me to your home

It's staring me down  
Wearing a crown of apathy  
I'm standing around  
Dressed like a clown  
Don't know my name

You know where to find me

I killed the manchild  
I had the midwife  
I drank the water  
I stand alone

I broke the breadline  
I walked the frontline  
Don't know my name  
You know where to find me

I killed the manchild  
I had the midwife  
I drank the water  
I stand alone

I broke the breadline  
I walked the frontline  
Don't know my name  
You know where to find me

Don't wanna let me be a man  
Don't wanna lead me to your home  
Don't wanna let me be a man  
Don't wanna lead me to your home
