Can you figure out what I want?  
Pull the trigger with a pop gun  
Mindless fools that aggravate it  
Pick at you in desperation

Oh it's a love pop suicide  
Oh I'm in love pop suicide  
Oh I really don't know

Pop life living is so real  
Midwest farmers' kids are milkfed  
Breed and incubate what you see  
Ten years later here on TV

Oh it's a love pop suicide  
Oh I'm in love pop suicide  
Oh I really don't know  
Oh I really don't know  
Oh I really don't know  
Oh I really don't know

Father can't you love your women?  
Father can't you teach your children?  
Long range love implosion short wicked  
Short wave mind explosion [Incomprehensible]

Oh I'm in love pop suicide  
About a pop star homicide  
Oh I really don't know  
Oh I really don't know  
Tell me somethin' about you  
Tell me somethin' about you

Oh I really don't know  
Tell me somethin' about you  
Tell me somethin' about you  
Tell me somethin' about you
