Have you seen your mother girl?

Has she gone away?

Gone away and found the pearl

But the price she paid

Gone

When you wake in the morning

Gone

When you find that theres no one sleeping

Gone

Pretty Penny was her name

She was loved and we all will miss her

How far will you go I say

Just to bait a mouse?

Shorter lived and longer gone,

Can you figure out?

Have you seen your sister girl?

Shes all but blown away

Blown away and lost the pearl

And the price she paid
