Regenerate the impoverished souls

That echo you

Bleed to feed the masses

Soup line two times two

They got your picture from the

Sunday Plain Dealer that listed you

(Dead)

Forget the story. There's a bounty on

Your head. They fingered you

Right away. Right away

Green light. Get a move on

Right of way, right of way

Stop sign, put the brakes on

Positive cell regeneration

Positive cell regeneration

Celebrate the immortal youth

That wasted you

Peel the skin back from all the lies

That blistered you

They hold for ransom

All the watered down truths

That splintered your

(Faith)

So sell your soul, because you're already

(Dead)

They've listed you

To the fields where lesser mice go

To the fields where men follow

To the fields where lesser mice go

To the fields where we all follow
