Find you in the dark
Read you like a cheap surprise
Oh, without shame
Sell me out, and frame your name

I can hear when the pig whispers sweetly
Jealousy is the weapon you kill me
Keep a dime for a truth you might tell

You toed the line, and I know it was mine
Couldn't hide, write a wave, ride a lie
Let me know, can I friend ask you why?

Rolling back the days
With my friend I love to play
The 'little one'
Superman with silver gun

I can hear when the pig whispers sweetly
Jealousy is the weapon you kill me
Keep a dime for a truth you might tell

You toed the line, and I know it was mine
Couldn't hide, write a wave, ride a lie
Let me know, can I friend ask you why?

Wait for me, take a dive take a piece of my life
(Leave me numb)
Wait for me, tell a lie, try to take my life
(Leave me numb)
Wait for me, take a dive take a piece of my life
(Leave me numb)
Close to me, and I'll leave you numb

You toed the line, and I know it was mine
Couldn't hide, write a wave, ride a lie
Let me know, can I friend ask you why?

You toed the line, and I know it was mine
Couldn't hide, write a wave, ride a lie
Let me know, can I friend ask you why?

You toed the line, and I know it was mine
Couldn't hide, write a wave, ride a lie
Let me know, can I friend ask you why?
Can I friend ask you why?
Can I friend ask you why?
