find you in the dark  
read you like a cheap surprise  
without shame  
sell me out, and frame your name

I can hear when the pig whispers sweetly  
jealousy is the weapon you kill me  
keep a dime for a truth you might tell  
you toed the line, and I know it was mine  
couldn't hide, write a wave, ride a lie  
let me know, can I friend ask you why?

rolling back the days  
with my friend I love to play  
the "little one"  
superman with silver gun

I can hear when the pig whispers sweetly  
jealousy is the weapon you kill me  
keep a dime for a truth you might tell

wait for me, take a dive take a piece of my life  
(leave me numb)  
wait for me, tell a lie, try to take my life  
(leave me numb)  
wait for me, take a dive take a piece of my life  
(leave me numb)  
close to me, and I'll leave you numb
