Find you in the dark

Read you like a cheap surprise

Without shame

Sell me out, and frame your name

I can hear when the pig whispers sweetly

Jealousy is the weapon you kill me

Keep a dime for a truth you might tell

You towed the lined, and I know it was mine

Couldn't hide, write a wave, ride a lie

Let me know, can I friend ask you why?

Rolling back the days

With my friend I love to play

The "Little One"

Superman with Silvergun

I can hear when the pig whispers sweetly

Jealous is the weapon you kill me

Keep a dime for a truth you might tell

Wait for me, take a dime take a piece of my life

Wait for me, tell a lie try to take my wife

Wait for me, take a dime take a piece of my life

Close to me and I'll you you numb
