Holywater clouds my thinking  
Sinking low now  
Keep on drinking

Down you go, suffer long  
Down you go, sin make me strong  
Down you go, suffer long  
Down you go, sin make me strong

You control me, soul you stole, mine  
Wishful thinking  
Six feet under

Down you go, suffer long  
Down you go, sin make me strong  
Down you go, suffer long  
Down you go, sin make me strong

Dead by dreaming, sleep you steal, mine  
Pools of cold sweat  
Hatred burns me

Down you go, suffer long  
Down you go, sin make me strong  
Down you go, suffer long  
Down you go, sin make me strong

Still shackled to the shadow  
Still shackled to the shadow  
That followed you...  
Still shackled to the shadow  
Still shackled to the shadow  
That followed you...  
Still shackled to the shadow  
Still shackled to the shadow  
That followed you...
