Holywater clouds my thinking

Sinking low now

Keep on drinking

Down you go, suffer long

Down you go, sin make me

strong

You control me, soul you stole,

mine

Wishful thinking

Six feet under

Down you go now, suffer long

Down you go now, sin make

me strong

Dead by dreaming, sleep you

steal, mine

Pools of cold sweat

Hatred burns me

Down you go, suffer long

Down you go, sin make me

strong

Holywater clouds my thinking

Sinking low now
Keep on drinking
Feel what were my eyes
Sink into the holes in my eyes
My sins have made me blind
Sink into the holes in my eyes
Still shackled to the shadow
Still shackled to the shadow
That followed you
