There was this girl

Who lived not too long ago

As a matter of fact I think

She lives still

She knew she could do no wrong

Just singin' those songs

That we all knew

She would always crash the party

It was no surprise

It was for her

Too Cool Queenie

There was this boy

He played in a rock-n-roll band

And he wasn't half-bad,

At saving the world

She said he could do no right

So he took his life

His story is true

It's ok cause what goes around, comes around

It's all right cause what goes around, comes around

And now this girl,

Yeah she got real famous

And she made lots of money and

Some of his too

But still she thinks she can do no wrong

Just playing those songs

She's all too cool
