

## Stone Temple Pilots "Where The River Goes"

Visit "[Where The River Goes](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Yeah, I could hide in the calm of the eye of the storm  
And never blow away  
Well, I'm a young man with a knife to my back  
Some things never seem to change

Nowhere to run to, nowhere to hide  
Sing the song or keep it inside  
Bought the farm, but the farmer done died  
Sing that song, sing that song inside

I wish I could live in the dream  
that I fly on the tarred & freathered wings  
Well, I'm losing a game of reality  
dice where the dealer never ever pays

Nowhere to run to, nowhere to hide  
Sing the song or keep it inside  
Bought the farm, but the farmer done died  
Sing that song, sing that song inside

I wanna be as big as a mountain  
I wanna fly as high as the sun  
I wanna know what the rent's like in heaven  
I wanna know where the river goes

Yeah, I could hide in the calm of the eye of the storm  
And never blow away  
Well, I'm a young man with a knife to my back  
Some things never seen to change

Nowhere to run to, nowhere to hide  
Sing the song or keep it inside  
Bought the farm, but the farmer done died  
Sing that song, sing that song inside

I wanna be as big as a mountain  
I wanna fly as high as the sun  
I wanna know what the rent's like in heaven  
I wanna know where the river goes

If I was stronger  
I could be a mountain range

If night was longer  
Could I escape the day?  
If I was stronger  
I could be a mountain range  
If night was longer  
Could I escape the day?

Nowhere to run to, nowhere to hide  
Sing the song or keep it inside  
Bought the farm, but the farmer done died  
Sing that song, sing that song inside

I wanna be as big as a mountain  
I wanna fly as high as the sun  
I wanna know what the rent's like in heaven  
I wanna know where the river...  
I wanna be as big as a mountain  
I wanna fly as high as the sun  
I wanna know what the rent's like in heaven  
I wanna know where the river goes  
Where the river goes  
Where the river goes  
Where the river, yeah  
Where the river  
Where the river  
Where the river  
Where the river  
Where the river goes  
Where the river goes
