### "By Hell Or Highwater"

Arrived at last but soon to part  
An envenomed arrow healed mine heart  
Chase did I nymphs 'neath sullied tree  
Bound by aesthetic ideology  
Angel faced yet devil wrought  
Not of worth yet dearly bought  
Surprise in the western hills  
Lake of sand to drink your fill  
Iron shod yet light as air  
Lost all 'twas dear without a care  
By hell or highwater it will be done  
By blazing moon, reflective sun  
The darkened music that I see  
Mortally wounded finally free  
Sink beneath the twofold depths  
For they giveth life yet stealeth death.
