Put 'em high
Put 'em high
Put 'em high
Put 'em high

Put 'em high
Put 'em high
Put 'em high
Put 'em high

And baby, I don't care
Where you've been before
Just put 'em high
Put 'em high

Make the best of it
Just a little bit
Just put 'em high
And put 'em high

Baby, I don't care
Where you've been before
Just put 'em high
Put 'em high

Make the best of it
Just a little bit
Just Put 'em high
Put 'em high

Put 'em high
Put 'em high
Put 'em high

Put 'em high
Put 'em high
Put 'em high

Baby, let me, be me
Those were, the words you, gave me
Never, felt this way, before

Your love, tastes like, ah, haa

Baby, I don't care
Where you've been before
Just put 'em high
Put 'em high

Make the best of it
Just a little bit
Just put 'em high
And put 'em high

Just put 'em high
Put 'em high
Put 'em high
Put 'em high

Put 'em high
Put 'em high
Put 'em high
Put 'em high

Put 'em high
Put 'em high
Put 'em high
Put 'em high

Put 'em high
Just put 'em high
Put 'em high
Put 'em high
