

## Stonehenge "Blind Pain"

Visit "[Blind Pain](#)" on MotoLyrics.com

Sky is black, life is empty  
Only candle buns in my hand  
Pain comes, sorrow comes  
My son never comes back  
Tears on the face, I am one  
Where are you my little son?  
I want to touch your hand  
But you have gone to another land  
Blind pain dries my eyes  
Life like lost paradise,  
Paradise!  
Answer me God  
Why'd you choose him?  
He was so young  
Why he?!  
He wanted to live  
He was happy child  
He liked a life  
Why he?!  
My little son  
I am missing you  
Where are you now?  
Tell me!  
Give me your hand  
Out off your grave  
I want to see  
You... my son  
Pain!  
My blind pain  
Blind pain  
My blind pain  
Blind pain  
Day or night, all the same  
I look like a shadow  
Cruel fate, broken dreams  
All my life is a sorrow  
Senseless death, painfull loss  
I can't return my son  
Real nightmare, terrible truth  
His house is a dump ground  
Blind pain dries my eyes  
Life like lost paradise,

Paradise!  
Answer me God  
Why'd you choose him?  
He was so young  
Why he?!  
He wanted to live  
He was happy child  
He liked a life  
Why he?!  
My little son  
I am missing you  
Where are you now?  
Tell me!  
Give me your hand  
Out off your grave  
I want to see  
You... my son  
Pain!  
My blind pain  
Blind pain  
My blind pain  
Blind pain  
Pain is destroying me  
Death, only wish is death  
God, God, please help me  
I want to stop my breath  
Son I shall come to you  
I can't live without you  
You was a meaning of my life  
All, all my life is you  
My blind pain  
Blind pain  
My blind pain  
Blind pain  
Rest in peace,  
Good bye
