Storm's closing in  
The kind that makes the world upside down  
Following the clouds  
Is it another old illusion that it's all O.K.?  
Won't it go away for good?  
At times it makes us pass the time so slowly  
Maybe I should say I would one more time

Time to live  
Living for today  
So much to give  
Something's on the way

So here it is again  
It's waiting like a long lost friend  
Stealing from your hand  
Where's your higher faith?  
Why can't you hear it?  
So would you?

Won't it go away for good?  
At times it makes us pass the time so slowly  
Maybe I should say I should let it go

Time to live  
Living for today  
So much to give  
Something's on the way

Storm's closing in  
The kind that makes the world turn  
Upside down  
Here it is again like a long lost friend
