We're going to Ibiza,  
It's just like England with sun  
There's lots of English people  
Having English fun

If you don't leave home much  
This is the place to be  
We'll dance to bullshit dj's  
Playing bullshit beats

No better way to sunbathe  
With a KFC  
No need for rubbish bins,  
Just throw it in the sea

I thought I'd live a little,  
Try some new foods but  
I was relieved to find  
They got a Pizza Hut

I was relieved to find  
They got a Pizza Hut

Pizza Hut

Pizza in Ibiza  
Picking the cheese out of your teeth  
Feeling the sand under your feet  
Eating a lovely Margarita

Pizza in Ibiza  
Watching the waves wash up a sheath  
Feeling the bass and drums control me  
Eating a lovely pepperoni

The clubs will suck you dry,  
More than the mosquitos  
The cheapest drink you'll find, only fourteen euros

The cities packed with beauties,  
Always underdressed

You better bring your own baps  
'Cause it's a sausage fest

We buying drugs, and taking them in clubs  
Oh shit we just bought aspirin  
We really feel like mugs

We in the VIP with bottled vodka and tequila  
But can't afford the entry fee, our table's on the beach

Not like we knew you're from England  
Without you waving a flag  
What happens here in beefa, stays in beefa  
Till you're tagged

Then your girlfriend sees you riding,  
On a stripper-snorting blow  
When she dumps you, you think 'fuck her... 'cause she  
can't take a joke'

I thought I'd live a little,  
Try some new foods but  
I was relieved to find  
They got a Pizza Hut

Pizza in Ibiza  
Picking the cheese out of your teeth  
Feeling the sand under your feet  
Eating a lovely Margarita

Pizza in Ibiza  
Watching the waves wash up a breezer  
Feeling the bass and drums control me  
Eating a lovely Calzone

Ride the bus  
Stuffed crust  
Living like kings  
Chicken wings

And then a salad!  
What?  
COVERED IN CHEEESSEEE! OHHH!

And then we all catch a venereal disease

Throwing up  
Stuffed crust  
Have a fight  
Cheesy bites

A+E, can't feel your head  
With pepperoni and a side of garlic bread

Pizza in Ibiza  
Picking the cheese out of your teeth  
Feeling the sand under your feet  
Eating a lovely Margarita

Pizza in Ibiza  
Watching the waves wash up a sheath  
Feeling the bass and drums control me  
Eating a lovely pepperoni
