Seventeen, a nature's queen  
You know what I mean  
Twenty-one, a long one  
You can see the numbers run  
Now you look so peaceful  
Lyn' there asleep  
With the wings of God above you  
Before the spirits meet

Rock bottom, rock bottom, rock bottom  
Rock bottom, rock bottom, rock bottom

Shadow earth is closin' in  
Above the lamps in your street  
Lucifer goes walkin'  
Down for you to meet  
Minutes pass so slowly by  
The hands on your clock  
Heavens don't just open  
You can knock

Rock bottom, rock bottom, rock bottom  
Rock bottom, rock bottom, rock bottom

With the darkness closin' in  
Will the light reveal your soul?  
Just one sweet kiss  
On your clay cold lips  
A long sleep you'll never know  
Where do we go, where do we go?  
Where do we go from here?

Seventeen, a nature's queen  
You know what I mean  
Twenty-one, a long one  
You can see the numbers run  
Now you look so peaceful  
Lyn' there asleep  
With the wings of God above you  
Before the spirits meet

Rock bottom, rock bottom, rock bottom

Rock bottom, rock bottom, rock bottom
