Southbound on the "I"
A lady of the West Wind she was calling to me"
I put it all out on the line"
But we didn't know what we were after - no

Hangin on the edge"
Isn't what I had in mind when I was lonely"
Woah, no"
But it crept up from behind"
And before I knew it I was on my way down - yeah

She came to me"
With a light so warm and tender"
Captivated my soul"
Left me standin' on the road"
All alone
When I saw that I was blind"
Well she looked into my eyes"
I knew the reason"
But I wouldn't leave well enough alone"
I had to play the fool and keep on... "
A-keep on pushin - yeah

She came to me"
With a light so warm and tender"
Captivated my soul"
Left me standin' on the road"
All alone

Oooo... I really thought she was the one"
Something so strong"
Like I've never, never known"
Carried me so far... so far gone

She came to me"
With a light so warm and tender"
Captivated my soul"
Left me standin' on the road"
All alone

She left me standin' on the road"

She left me standin' on the road"
Standin'"
Standin'"
She left me standin'"
Standin' on the road"
Yeah"
She left me standin' on that road"
Standin' on the road
