You don't even know me
You forgot my name
All I Know is what we had
That's a crying shame

The other day I saw you walking
Down the street
Felt a tremble in my hand
If only we could meet

Living a illusion
A melody run me by
Stuck In this Confusion
Don.t let the music die

Running Into Danger
I'm coming off the rail
Don't treat me like a stranger
Cos a love that failed

I am just a loner what do I have do
Searching through old battlefields
Getting back to you

Release Me
Why can't you

Thoses summer days
When life was good somehow
I do remember
It's hard to fin
That's why I miss you now
I'm faling

You don't even know me
You forgot my name
All I Know is what we had
That's a crying shame

Release Me
Why can't you

Thoses summer days
When life was good somehow
I do remember
It's hard to fin
That's why I miss you now
I'm faling

I'm just a Loner
What do I have to do
