It's the year of the beast  
Again! ha-ha

Dance crew, dance crew, dance crew, dance crew,  
dance crew  
We're a dance crew, what you gonna do?

My name is Andrew-Francis-Wakely  
You haven't heard 'bout my childhood lately  
I had a room with a lovely view  
I traded my skateboard for some ballet shoes (what! )

Have you ever had a fight with a dancer?  
Let me finish your sentence before you answer  
Just because I can move  
Doesn't mean I couldn't kick all your teeth out with the  
back of my shoe- uh

I remember way back in the day  
Hanging with my boys, smoking weed in the  
playground  
Only difference is that never-ever happened  
It's easier to sell ya lies when you rap 'em

Got a picture in my room  
Of a man that I wish I knew  
All of this loneliness fills me with hunger  
And when I'm dancing it makes me stronger!

When there's no-one home (there's no-one home)  
My friends and me (and me)  
We lose ourselves in a sym-phon-y  
If mum and dad could only see  
So what's happening, come on team  
Hit the motherfuckers with the dance routine!

-dance break-

My name is stefan james donald john abingdon  
Ever since I was a little kid number one  
I learnt to dance when I was in the womb

My first audience was sat in the recovery room

I was born with little tap shoes on  
I'm not sure how they genetically put them on  
(Gay) ok, if I'm gay come 'ere  
I'll do a tap-step on your mouth an' your ear

I ordered a beat with an ounce more bounce  
Got more digits than bill gate's bank account  
You should see the women this gets me, believer  
I had to get more bouncers than justin bieber

When there's no-one home (no-one's home)  
My friends and me (and me)  
We lose ourselves in a sym-phon-y (in a symphony)  
If mum and dad (daddy) could only see  
Dance professor, got a PHD  
Doing record-breaking, booty shaking dance routines!

-dance break-

My name is ashley neil horne  
I'm more wanted than the top-shelf porn  
Some people think that I'm gay  
So to prove that I'm not  
Imma show you all my dance moves

-dances-

My dance moves will make you think  
Got a few rules imma tell you:  
I don't drink beer 'cause I don't like the taste  
I don't eat steak 'cause it goes to my waist  
Wait around for a while, I'm back!  
This record's been a hit since I've been on the track!

When there's no-one home (still no-one home)  
My friends and me (me and my friends)  
We lose ourselves in sym-phon-y (in a, in a, in a WHAT!  
)  
If mum and dad could only see  
Follow your heart, follow your dreams  
Lets show the whole world the dance routine

When there's no-one home (Billy Elliot)  
Or I'm watching glee (Diversity)  
The music takes a hold of me (Michael Flatley)  
If mum and dad could only see (Stavros Flatley)  
So what's happening, come on team  
Hit the motherfuckers with the dance routine!
