There came a misty morning
Out on the shores of time
And I heard the sirens calling

There was nowhere left to hide
I never should've gone out this far
I never should have gone out at all

OH YEAH, SO GLAD TO SEE HOW
YOU'VE COME AROUND THE BEND

I TOLD YOU WE'D MEET NOW
AT THE JOURNEY'S END

(How we'd meet in the end...)

Now treading the silent oceans
And the tides that seem to glow
With deadly premonition

Telling us it's time to go
Never should've trusted the reaper
When he told me I could keep you

OH YEAH, SO GLAD TO SEE HOW
YOU'VE COME AROUND THE BEND

I TOLD YOU WE'D MEET NOW
AT THE JOURNEY'S END

And if that you could leave

I think you surely would
And if that you could see
I think you'd understood

A face of silver lining
The season no one knows
The day we are approaching

Will reckon to our souls

How many will lose in the end
How many will die in their sins

OH YEAH, SO GLAD TO SEE HOW
YOU'VE COME AROUND THE BEND

I TOLD YOU WE'D MEET NOW
AT THE JOURNEY'S END
